Kids Who Read, Succeed!

They really do! Parents and caregivers play an important part in fostering a child's love of reading and development of literacy skills. From birth, reading stories, singing songs and playing together all develop these important skills. Building a love and strong understanding about reading sets a child up for success when they begin Kindergarten, which has a lasting, lifelong positive impact. Early literacy skills are crucial in a child's success as an adult. These are the skills that children develop as they transition from *learning* to read to reading to learn. There is no better way to encourage these skills than through reading.

In 2018, Licking County Library set their sights on helping to increase children's literacy rates in Licking County. Creating a partnership with Dolly Parton's Imagination Library (DPIL) was the perfect fit. This program mails free, high-quality, age-appropriate books to children between birth and age five. In order to make the collaboration happen, the Friends of the Licking County Library became the non-profit affiliation responsible for raising funds to ensure the local program was sustainable for all libraries in Licking County—Licking County Library, Pataskala Library, Granville Library, Homer Library and Alexandria Library.

Ohio First Lady Fran DeWine saw the same literacy benefits of DPIL when watching her grandchildren receive their monthly book in her home county of Greene County. She set the goal, with financial support from the Ohio General Assembly and affiliates across the state, to bring Dolly's program to all children of Ohio—starting the Ohio Governor's Imagination Library. By November 2020, all children under age five became eligible to enroll thanks to the partnerships of the state of Ohio, local affiliates and Dolly Parton's Imagination Library.

Feedback from parents and caregivers from our community has been overwhelming! Everyone loves Dolly and loves giving children the opportunity to create their very own home library. Mary Jones, a local parent, wrote "While we try to read as often as we can, life gets busy. When the new book comes out of the mailbox, it makes us all intentionally come together as a family and spend some much-needed quality time reading."

Give THE Gift OF Reading

During the month of December, the Friends of the Licking County Library is holding a special fundraiser for Dolly Parton's Imagination Library.

Make a donation to the program at any LCL location and receive a limited-edition LCL ornament, plus a copy of *Our Family Favorites A Collection of Beloved Recipes* by Fran DeWine and Dolly Parton.

A gift of \$25 sponsors a Licking County child for an entire year! Help open their minds to faraway places, exciting adventures and set them on the pathway to lifelong learning.

A gift of \$125 sponsors a child from birth until they graduate at age five. That is a gift of sixty books!

Visit the Friends table at WinterFest for details on this fantastic fundraiser and program!

EMPOWERED MINDS

Licking County Library

Virtual Classes

● Maximizing Your Memory • November 10 • 1 - 2pm

Why do we forget things and what can we do to improve our memory? Find out how memory works and the factors affecting it. Learn practical techniques to improve and strengthen your memory.

● Smart Device Voice Commands • November 17 • 1 - 2:30pm

In our Techsperts Virtual Zoom classroom, let us illustrate how you can use your voice to control your devices. Apple's Siri, Google's Assistant, and Android operating systems can be controlled via voice commands or dictation. Let's all have some fun telling our devices what to do!

● Columbus Limestone & Statehouse Fossils November 18 • 11am - 12pm

We will be joined by paleontologist, Mark Peter, to discuss *Ohio Rock Talks Episode 8: Fossils of the Columbus Limestone* (available on YouTube), and the creation of the guide booklet, *Statehouse Fossils*, which explores the fossils of the Ohio Capitol. A limited supply of free booklets will be available at the front desk of the Downtown Newark Library or for download via the link located on the registration page for this program. Participants are encouraged to view Episode 8 and read the booklet before logging on for the discussion.

● Printer On! • December 8 • 1 - 2:30pm

If you print documents often, you could be interested in the Printer On app and services. It makes printing from practically anywhere to your local Licking County Library location easy! Let our Techsperts teach you about how to use it in this class.

In-Person Classes

Local History Research 101

November 22 • 5 - 6pm • Downtown Newark, Mtg. Room A

Interested in how the past has shaped the local world around us? Want to learn more about the history of your home or neighborhood? Amazed by the majesty of the Newark Earthworks and curious about why some were preserved and others were lost? The Library's Local History Specialist guides participants through the basics of beginning a research inquiry on Licking County's history. Topics of discussion include main threads of local historiography, primary and secondary sources and where to locate them, and tips and tools of the trade to begin your own sleuthing as a local historian.

On the Buckeye Trail

December 2 • 1 - 2pm • Downtown Newark, Mtg. Room A

For nearly 1,444 miles, the Buckeye Trail winds around Ohio, reaching into every corner of the state. From a beachhead on Lake Erie near Cleveland to a hilltop overlooking the Ohio River in Cincinnati, a hiker can experience a little of all that Ohio has to offer. Join Connie Pond co-author of *Follow the Blue Blazes: A Guide to hiking Ohio's Buckeye Trail*, for a tour of this Ohio gem.

Preventing Falls

December 2 • 5:30 - 6:30pm • Downtown Newark, Mtg. Room A

Falling can become quite dangerous as people age. Makayla McComb of Arlington Care Center discusses how falls affect the senior population plus how you can prevent yourself, family and friends from having a dangerous fall. Take home a craft at the end of this class as well.

Ice Age Ohio

December 9 • 1 - 3pm • Downtown Newark, Mtg. Room A

Learn how glaciers form and see some of the effects they had on Ohio's landscape—filling valleys and leaving behind hills, ridges and unusual rocks. Discuss some of the effects the glaciers had in other parts of the world, such as the lowering of sea level, and how events in Earth's past are dated.

What Can I Do With A Smart Home?

December 15 • 1 - 2:30pm • Downtown Newark, Mtg. Room A

Our Techsperts discuss smart appliances and items for the home such as Alexa, Siri, Google Home, smart lightbulbs, thermostats, cameras and more!
